

AGN. NO. _____

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

MARCH 20, 2007

AMENDMENT TO ITEM #60 – INTERIM GOVERNANCE STRUCTURE

The Chief Administrative Officer has acknowledged that the new governance model will require additional funding. Because the model has not been fully vetted, the cost is unknown. This Board requires all Departments to submit budgets through the CAO, which include a detailed analysis and justification for the budget request. The “restructuring of the CAO” should be treated with the same scrutiny.

I, MOVE that the Board of Supervisors adopt the ordinance today on a 6-month basis as a pilot program, and direct the Chief Administrative Officer to report back to the Board on the total cost of implementing this ordinance on a 6-month pilot basis.
